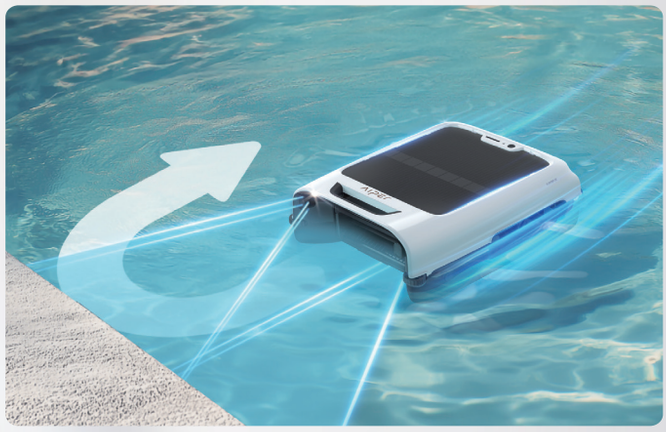
24/7 Pool Cleaning Power with SolarSeeker™ Technology

The EcoSurfer M2 features an enhanced solar panel and extended battery life. When power is low, it instinctively moves to a sunny spot, ensuring nonstop 24/7 operation.Enjoy a spotless pool effortlessly while you relax!



Dual Optical Sensors and Anti-Stranding Design

Equipped with dual optical sensors, the EcoSurfer M2 intelligently navigates the pool, avoiding obstacles and minimizing stranding.

Unmatched Cleaning Performance

Equipped with a 150μm ultra-fine filter and a built-in chlorine dispenser, the EcoSurfer M2 provides both physical and chemical pool care, ensuring a healthier, worry-free swimming experience.

Industry-First DebrisGuard™ Design

When the EcoSurfer M2 stops or changes direction, the DebrisGuard™ aquadynamic baffle automatically closes to prevent debris leakage. Enjoy seamless, worry-free operation with this innovative feature!

Aiper App Compatibility

The Aiper App offers remote control functionality and allows users to monitor battery levels and cleaning modes for enhanced convenience and control.
