Swimming Pool Pump

For a detailed spares listing go to www.baracuda.co.za

The Baracuda Titan 2 ECO 3-speed swimming pool pump was developed using modern production methods and extensive quality assurance procedures to ensure that you, our customer, are satisfied with our products. The Titan 2 ECO 3-speed swimming pool pump is designed, tested and manufactured in South Africa, for Southern African conditions. The Titan 2 ECO 3-speed swimming pool pump saves you money by using an innovative 3-speed motor controller that reduces the electrical consumption of the motor by reducing the speed.

KEY PRODUCT FEATURES & BENEFITS

- Electrical savings via the variable speed drive motor
- Factory preset 3-speed motor controller
- Save on your electricity bill

APPLICATIONS

For residential swimming pools and spas only

- In-ground pools
- Above ground pools
- Leisure spas
- Solar pool heating
- Water features

WHY CHOOSE THE BARACUDA TITAN 2 ECO 3 SWIMMING POOL PUMP?
